Mr. Tom Lia
Executive Director
Northern Illinois Fire Sprinkler Advisory Board
62 Orland Square Drive, Suite 203
Orland Park, IL 60462

Dear Mr. Lia,

On behalf of the Greater Round Lake Fire Protection District I would like to thank you and the Northern Illinois Fire Sprinkler Advisory Board for providing an excellent and affordable training in sprinkler design and plan review through your Scholarship Class Program. These classes reinforce the understanding of the codes and standards and give code officials a forum for asking questions and resolving interpretation and intent questions. The instructor John Corso, did a fantastic job in presenting the material. It was done in a very understandable and enjoyable format.

I have phoned your office a few times regarding questions relating to sprinkler application or installation and have only received professional courtesy and timely answers from you and your staff. The Greater Round Lake Fire Protection District appreciates all your hard work, effort and support in the education of the public and government entities in the value of using sprinklers to protect life and property.

Yours in public safety,

Ken Foszcz
Fire Prevention Officer

Cc: National Fire Sprinkler Association, Inc.

Mission: To protect our residents, visitors and their property from the adverse effects of fires, medical emergencies and other dangerous, life threatening situations through public education, training, prevention and planning, community interaction and safe, efficient, professional emergency response.
